Letter No. T. E. C. 11—I. M. P.—3 (7), dated 19th April 1947, from the Textile Commissioner, Bombay, addressed to all Provincial Governments and Chief Commissioners is published for the information of all dealers concerned.

Subject :—Imported Cloth—Textile Commissioner's Notification No. T. C. (12)—44 of 14th October 1944 Amendment.

I have the honour to enclose for your information a copy of the Textile Commissioner's Notification No. T. 11—3-T. A.—46, dated 15th March 1947, which modifies the existing procedure for price stamping and distribution of imported cloth. A copy of the Textile Commissioner's Notification No. T. C. (12)—44, dated 14th October 1944, as amended up to date including the above amendment is also enclosed for your reference.

According to the existing procedure, the landed cost certificate for cloth and yarn is issued by the Textile Authority of the Province in which the port at which the goods are landed, is situated. That Controller is also responsible for price stamping, after which the goods are sent to the receiving Provinces and States as the case may be. As a result of the Notification referred to above, the landed cost Certificate will show in addition to the landed cost, some of the details of marking prescribed to be made on the cloth and yarn, under this Notification, such as the importer's price, bale number or numbers, etc., and the quantity of cloth in yards, and yarn in Lbs. These certificates will continue to be issued by the Textile authorities of the Province in which the port of entry is situated.

The Importer concerned will, on receipt of the landed cost certificate apply for distributions to this office, if the consignments are landed in the port of Bombay, and to the Provincial Textile Authorities at Karachi, Madras and Calcutta in the case of consigments landed at ports over which they exercise jurisdiction. This office or the Provincial Taxtile Authorities concerned will without waiting for the cloth to be stamped, issue release orders in favour of the nominee of the Province, to which the cloth is allotted with the only difference that, release will be made in full packages and not in smaller lots is being done at present. Such allotments will continue to be made, however, in the proper lines detailed in this office circular letters No. C. Y. C., dated 29th August 1945 and C. Y. C.—4—I. M. P., dated 2nd May 1946.

The stamping in the prescribed manner, of the cloth meant for sale in the Province of Bombay, Sind, Madras and Bengal will be the responsibility of the Provincial Textile authorities concerned. The cloth meant for areas other than those mentioned above, will be despatched in full packages but unstamped to the Provinces and States to which they are allotted. On receipt of the cloth within his jurisdiction, the Textile authority of the Province or State will arrange for the stamping of the cloth in the prescribed manner and will thereafter effect the final distribution of the cloth.

The above amendment will come into force with immedidate effect in respect of all consignments for which the Controllers have not issued landed cost certificates. These consignments for which Landed Cost Certificates have already been issued
